yes to you

"People enjoy living at St Josephs as it is a quiet area with a lovely view of the park. Everything people need is in the local area and everyone feels safe within the community. It is a very calm and happy household."

Manager, 63 St Josephs

Welcome to St Josephs Road 1

At St Josephs, people are supported to live with independence.

This two-bedroom semi-detached bungalow has a kitchen, a living room, and one wet room style bathroom. There is a connecting door to the neighbouring property, which supports people with similar needs.

St Josephs also has an accessible garden with a patio for people to relax in when the weather is good.

When you choose supported living, you're choosing to live independently, safe and secure behind your own front door. There's peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at St Josephs is suitable for people with learning disabilities, brain injuries, physical disabilities, mental health conditions, and autism.

St Josephs is ready to welcome a laid back person who appreciates peace and quiet. The person we support here is a 64-year old-woman who lives with learning disabilities. She likes being out in the community, interacting with staff, shopping, listening to music, watching television, walking, swimming and travelling.

People choose how they want to spend their time - day trips to the coast, tourist attractions, the zoo, the safari park and the Christmas Markets are favourites.

Valued in your community

There is nothing more rewarding than being an active part of the local community.

St Josephs is in a peaceful residential area with cafés, pubs, restaurants, shops, a post office and a HSBC bank. For people who like to stay active, Springs Leisure Centre provides year-round access to exercise classes, sports courts, a swimming pool and a gym. People also enjoy walking in the local area - High Hazels Park is a popular destination.

Nearby Sheffield also provides access to attractions such as Weston Park and Kelham Island Museums, the Lyceum and Crucible theatres, Victoria Quays, cinemas and art galleries, Meadowhall Shopping Centre, Sheffield Winter Garden, and Magna Science and Adventure Centre.

It's good to know...

We're in Handsworth which has local amenities including cafés, shops, a post office and a bank.

For supermarkets, Asda, Aldi and Lidl are all close by.

The GP surgery and NHS dentist are within one mile of the property.

There's a bus stop at the end of the road, with regular routes into Hillsborough and Sheffield.

The nearby train station is just a fifteen-minute walk and has regular services into Sheffield and Lincoln.

There's on-site parking for people with cars.

"Since living at a Lifeways service I have become more confident and independent. I am able to make everyday decisions with the help from my team, who support me in a consistent way; this is very important to me. My self-esteem has grown with the support I receive and I couldn't be happier."

Five reasons to choose Lifeways

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

At Lifeways, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
