“Totley Green is really friendly - the ladies are very welcoming and sociable. We are very close to all the amenities in Glossop town centre. The estate is lovely with a strong sense of community. Everyone knows each other. The staff work hard to promote each person’s independence, doing activities people enjoy and want to do.”

Welcome to Totley Green

At Totley Green people are supported to live independently.

This three-bedroom house has a kitchen with a dining area, a living room with patio doors onto the garden and two bathrooms - one wet room style downstairs and one with a bath upstairs. Totley Green also has an accessible garden with a patio for people to relax in when the weather is good.

When you choose supported living, you’re choosing to live independently, safe and secure behind your own front door. There’s peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at Totley Green is suitable for people with learning disabilities and mental health conditions.

Totley Green is ready to welcome a woman over 35 years old. The people we support here are women aged between 40 and 57 who live with learning disabilities and visual impairment.

One of the women here likes spending time in the local area, swimming, going to the day centre and playing netball. She volunteers in a charity shop too. The other woman we support appreciates a routine and enjoys colouring, knitting, swimming, walking and cooking.

People choose how they spend their time, enjoying their own hobbies and interests. Day trips to Manchester are also favourites.

Valued in your community

There is nothing more rewarding than being an active part of the local community.

Totley Green is in a peaceful residential area next to the Peak District. There are convenience stores, a library, and plenty of picturesque walks in the local area.

Glossop is the nearest town and offers larger amenities. For people who like to stay active, Glossop has a leisure centre and a swimming pool that provide year-round access to exercise classes, a swimming pool and a gym.

People also like to visit nearby Ashton-under-Lyne with the Arcades and Ladysmith shopping centres, high-street banks including NatWest, HSBC and Halifax, Portland Basin Museum, Hollywood Bowl Manchester for bowling, and a Cineworld Cinema.

yes to friendships

"Since living at a Lifeways service I have become more confident and independent. I am able to make everyday decisions with the help from my team, who support me in a consistent way; this is very important to me. My self-esteem has grown with the support I receive and I couldn't be happier."

Five reasons to choose Lifeways

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

yes
to ambition

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

At Lifeways, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
