“Oldbury Road is a calm place to live and work. The people we care for here really benefit from the sensory room and homely atmosphere in the bungalow.”

Manager, Oldbury Road

Welcome to Oldbury Road

Oldbury Road is a detached bungalow in a lovely residential area, where people are supported in leading independent lives.

This two-bed, accessible property has an open-plan kitchen and dining room, a large lounge area that leads onto an accessible garden with patio and BBQ, and two bathrooms.

The main bathroom has a bath with hoist, while the second bathroom has a wet room style walk-in shower. Oldbury Road also benefits from a sensory room within the property. Assistive technology can be tailored to suit individual needs.

When you choose supported living, you're choosing to live independently, safe and secure behind your own front door. There's peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at Oldbury Road would be well suited to people with brain injuries, learning difficulties, physical disabilities and autism.

Oldbury Road would be well suited to an easy-going person with a calm manner. The man we support here likes to spend time by himself and appreciates a peaceful environment. In his late fifties, he has learning disabilities. He enjoys walking the dog, swimming, shopping, being in the community, sitting in the garden and going to the local café.

Valued in your community

There is nothing more valuable than being an active part of the local community.

At Oldbury Road, we're fortunate to be located just a short walk from a range of vibrant shops, cafés, pubs, parks, a post office, St Johns Library and high-street banks.

In nearby Worcester you'll find all the local amenities you need including the Swan Theatre, Odeon Cinema, Worcester Bowl, Crowngate Shopping Centre, Worcester Cathedral and a number of museums.

People enjoy volunteering in the community and swimming at Lower Wick Swimming Pool. A main point of interest for the people we care for is Worcester Snoezelen - a specialised multi-sensory leisure facility that caters for people with diverse needs. People can partake in music and art sessions, time in the hydropool, or activity clubs.

It's good to know...

We're just a 10-minute drive from Worcester, with its range of shops, cafés, pubs and restaurants.

The Co-op, Aldi and Sainsbury's are all nearby.

The GP surgery and NHS dentist are within a mile of the property.

There's a bus stop outside the house, with regular routes into Worcester.

Worcester train station is just 7-minute drive away, and has services to Hereford, Birmingham and London.

There's parking on site for people with cars.

"Since living at a Lifeways service, I have become more confident and independent. I am able to make everyday decisions with the help from my team, who support me in a consistent way; this is very important to me. My self-esteem has grown with the support I receive and I couldn't be happier at this time."

Five reasons to choose Lifeways

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

yes
to ambition

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

At Lifeways, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
