“Stourside has a great family atmosphere. The staff and residents really enjoy each other’s company. The area is nice and gives great access to local amenities.”

Manager, Stourside

Welcome to Stourside

Stourside is an accessible apartment building that provides the perfect mix of independent living and collaborative, community support.

Living here gives people the benefit of a vibrant network of friends and staff, while having peace and quiet whenever they need it too.

The property has fifteen, one-bedroom apartments, with an open-plan kitchen, lounge and dining room, and a wet room style bathroom. The apartments are equipped with assistive technology, including a staff call system and CCTV.

Stourside has an accessible, shared garden with a patio and BBQ.

When you choose supported living, you’re choosing to live independently, safe and secure behind your own front door. There’s peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at Stourside is ideal for people living with brain injuries, learning difficulties, physical or neurological disabilities, or people living with mental health conditions, addiction or on the autistic spectrum.

Stourside would be well suited to a person aged between 20 and 60. The people we support here like gardening, playing table tennis and pool, or football in the garden, watching television, listening to music, walking, shopping, cooking and being in the community.

At Stourside, people choose how they spend their time – as a group, we enjoy day trips to Weston-super-Mare, West Midland Safari Park, and local farms. People particularly enjoy lunch at the pub.

Valued in your community

There is nothing more valuable than being an active part of the local community.

At Stourside, we're fortunate to be located just a short walk from a range of vibrant shops, a post office, cafés and pubs, as well as Stourport-on-Severn Library and Brinton Park. For people who like to stay active, Wyre Forest Leisure Centre provides year-round access to a gym and swimming pool.

Nearby Kidderminster provides access to larger shops and amenities, including the Military Wireless Museum, Weavers Wharf Shopping Centre, the Reel Cinema and Avatar Games bowling alley.

It's good to know...

The local area has a range of shops, cafés, pubs and restaurants.

The Co-op, Morrisons, Tesco and Spar are all within walking distance.

The GP surgery and NHS dentist are within half a mile of the property.

There's a bus stop close by, with regular routes into Worcester, Stourport-on-Severn and Kidderminster.

Hartlebury train station is just a seven-minute drive, and has services to Worcester, Great Malvern, and Stratford-upon-Avon.

There are ten on-site parking spaces for people with cars.

to friendships

“Since living at a Lifeways service I have become more confident and independent. I am able to make everyday decisions with the help from my team, who support me in a consistent way; this is very important to me. My self-esteem has grown with the support I receive and I couldn't be happier.”

Five reasons to choose Lifeways

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

yes
to ambition

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

At Lifeways, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
