Welcome to Elliotts

Elliotts is a residential service where people with learning disabilities and autism are empowered to live as independently as possible, to become integral members of the community and to achieve their goals and aspirations through individual care pathways.

This six-bedroom detached house has a kitchen, an open-plan living room and dining room, a sensory room, a snooze room, one communal bathroom with a bath and a shower, and six en-suites with either a shower cubicle or a bath.

Elliotts also has an accessible garden with a patio and a BBQ for people to use when the weather is good. There is a sensory section in the garden too. Assistive technology can be tailored to suit the needs of each person, and includes a nurse call button in all bedrooms.

Life at Elliotts is suitable for people with autism and learning disabilities. This is an autism specific service that has been accredited by the National Autistic Society.

“At Elliotts we support people with autism. Every person we support has an individual activity schedule to support with life skills and activities. Support is given on a one-to-one basis. Our staff support many other interesting tasks such as cooking, and health and safety checks. The people we support have dignity champions and safety champions too. All staff work together to provide a warm, calm and low arousal atmosphere. Our support staff act as key workers who establish a genuine relationship and over time they develop a sincere and caring relationship with the people they support. One person has lived here for twelve years so there is a real community feel.”

Manager, Elliotts

Elliotts is suitable for an adult with autism. The atmosphere in the house is calm and people appreciate their personal space.

One person here enjoys making models and going to the model shop for more materials. Another likes bowling, going to the gym, the cinema or the theatre, and being on his laptop. Another enjoys playing on the Playstation, pool, snooker, chess, and doing spelling bees. One woman likes going out to the internet café, restaurants and the toy shop.

At Elliotts, people choose how they spend their time. Trips to the coast, the zoo, tourist attractions, Lincoln and Norwich are favourites.

Valued in your community

“Since living at a Lifeways service I have become more confident and independent. I am able to make everyday decisions with the help from my team, who support me in a consistent way; this is very important to me. My self-esteem has grown with the support I receive and I couldn't be happier.”

Five reasons to choose Lifeways

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

yes
to ambition

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

At Lifeways, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
