yes to you

"If you want to be part of an environment which is full of laughter, vibrant, fun loving and social, then this is the home for you. Green Lane has easy access to some lovely towns too."

Manager, Green Lane

Welcome to Green Lane

At Green Lane people are welcomed and supported to live independently.

The bungalow is fully accessible and has three bedrooms, a kitchen, a dining room, a living room, and two bathrooms.

There is an accessible garden for people to use when the weather is good.

When you choose supported living, you're choosing to live independently, safe and secure behind your own front door. There's peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at Green Lane is suitable for people with learning or neurological disabilities, brain injuries, and physical disabilities.

Green Lane is ready to welcome a woman with limited mobility, aged between 25 and 35. The current residents are women who live with cerebral palsy. The household has a real community feel, so a woman who has a positive outlook on life will be a perfect fit with the other residents.

One is a fun-loving party girl who enjoys music, being with people, and having a glass of wine. Another person we support here likes socialising, going on holiday, dancing and being out and about.

Valued in your community

There is nothing more valuable than being an active part of the local community.

Green Lane is in Hove Edge, which has shops, pubs, and takeaways. We also have easy access to surrounding villages for larger amenities. Neighbouring Brighouse provides access to larger high-street shops and banks, as well as a post office and a library.

For people who like to stay active, Brighouse Swimming Pool and Fitness Centre has exercise classes, sports courts, a gym and a swimming pool.

Halifax is the nearest large town and offers a Vue Cinema, Halifax Playhouse and Victoria Theatre, The Eureka! Science Museum, Calderdale Industrial Museum, Woolshops Shopping Centre, and Electric Bowl for bowling.

People also like to visit Huddersfield for attractions including Kingsgate and Packhorse Shopping Centres, Lawrence Batley Theatre, high-street banks and an Odeon Cinema.

It's good to know...

Hove End has pubs, shops and takeaways. Nearby, Brighouse has more amenities.

We're spoilt for choice with supermarkets. Nearby Brighouse provides access to Lidl, Sainsbury's and Tesco.

The GP surgery and NHS dentist are less than one and a half miles away.

There's a bus stop within a short walk, with routes into Huddersfield, Rastrick, Brighouse and Halifax.

The nearby train station is just a five-minute drive, and has services to Leeds, Huddersfield, Bradford and Wigan.

There is on-site parking for people with cars.

yes to friendships

"Since living at a Lifeways service I have become more confident and independent. I am able to make everyday decisions with the help from my team, who support me in a consistent way; this is very important to me. My self-esteem has grown with the support I receive and I couldn't be happier."

Five reasons to choose Lifeways

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

yes
to ambition

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

At Lifeways, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
