Life-changing supported living
at the heart of the community

yes to you

“St Lukes is in a quiet and safe area with a family community around the house. The property is well maintained and decorated in a modern and homely way. It’s always very clean and organised. The lounge is very cosy with a large television. The atmosphere is very calm and relaxing for both the people we support and the staff – who are mostly female.”

Manager, St Lukes

Welcome to St Lukes

At St Lukes people are supported to live with independence.

This three-bedroom semi-detached house has a kitchen, a dining room, a living room, and one communal bathroom which has a bath with a hoist. St Lukes also has a garden for people to enjoy when the weather is good.

Assistive technology can be tailored to suit the needs of each person. There is a lift to access the upper floor and all doors are wider to enable wheelchair access.

When you choose supported living, you’re choosing to live independently, safe and secure behind your own front door. There’s peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at St Lukes is suitable for people with learning or neurological disabilities, brain injuries and physical disabilities.

We are ready to welcome a mature woman who enjoys a quiet pace of life and enjoys socialising.

The current resident is a woman in her sixties with mobility difficulties and a learning disability. She likes hand crafts, being in the house, watching soaps, going out for lunch, having her nails done, shopping and spending time in the community. Routine is also important to the person we support here.

Valued in your community

There is nothing more valuable than being an active part of the local community.

St Lukes is in the community of Little Horton, which has shops, pubs, cafés, restaurants and a post office. For people who like to stay active, Bradford has a range of venues with exercise classes, sports courts, gyms and swimming pools.

Bradford city centre is a short distance away by transport, and is within walking distance and provides access to The Broadway Bradford and Kirkgate shopping centres, the National Science and Media Museum, a Cineworld Cinema, Bradford Ice Arena for ice skating and the Alhambra Theatre.

People also like to visit Halifax which offers a Vue Cinema, Halifax Playhouse and Victoria Theatre, The Eureka! Science Museum, Calderdale Industrial Museum, Woolshops Shopping Centre, and Electric Bowl for bowling.

It's good to know...

We're in Little Horton. Bradford is just a thirty-minute walk, while Halifax is about twenty minutes away by car.

There's a Lidl within walking distance, while Asda and Tesco are a little further away.

The GP surgery and NHS dentist are within half a mile of the property.

There's a bus stop within a short walk, with routes into Bradford and Buttershaw.

The train station is just a four-minute drive, and has services to Leeds, Huddersfield, Blackpool, Preston, Manchester and London.

There is on-site parking for people with cars.

yes to friendships

"Since living at a Lifeways service I have become more confident and independent. I am able to make everyday decisions with the help from my team, who support me in a consistent way; this is very important to me. My self-esteem has grown with the support I receive and I couldn't be happier."

Five reasons to choose Lifeways

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

yes
to ambition

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

At Lifeways, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
