Welcome to Church Court

At Church Court apartments, people are supported to live with independence.

There are sixteen one-bedroom apartments, each with a kitchen, a living room, a wet room style bathroom and underfloor heating. Some apartments are open-plan, while others have separate rooms. Church Court also has two one-bedroom bungalows on-site, which have level access. One bungalow is open-plan with a kitchen and a living room, while the other has separate kitchen and living spaces. Both have wet room style bathrooms. There is an accessible garden with a patio and a BBQ for people to enjoy when the weather is nice. Some apartments have patio doors that open directly onto the garden too.

On-site assistive technology can be tailored to suit the needs of each person and includes emergency cords, CCTV, and an intercom system. There is a lift within the apartment block for access to the upper floor.

When you choose supported living, you're choosing to live independently, safe and secure behind your own front door. There's peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at Church Court is suitable for people with learning or neurological disabilities, brain injuries, physical disabilities and autistic spectrum disorders.

Church Court is ready to welcome someone new. The people we support are both men and women, aged between 18 and 60 years of age.

At Church Court, people choose how they spend their time. Trips to the zoo and Blackpool are examples of places people have been recently. The people we support here are in the process of setting up a gardening club for the summer, and enjoy regular BBQs in the warmer months.

“Church Court is in a lovely environment with a great atmosphere. The staff are very friendly, supportive, professional, and undergo lots of continuous training. All of the people we support here are individuals with different interests. They all get along well and have created a community while respecting each other’s privacy. People feel secure as they are able to access support 24/7. The area is safe and has lots of amenities. Families are welcome to visit anytime they like.”

Five reasons to choose Lifeways

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

yes
to ambition

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

At Lifeways, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
