## Welcome to Bolton Road

**Bolton Road is a five-bedroom, semi-detached house where people are supported to live independently.**

The house has a kitchen, dining room, living room and laundry room. There are two shared bathrooms – one with a bath and shower, the other with a shower cubicle. Bolton Road has an accessible garden with a patio for people to use when the weather is good.

When you choose supported living, you’re choosing to live independently, safe and secure behind your own front door. There’s peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at Bolton Road is suitable for people with learning disabilities, autism, brain injuries and physical disabilities.

Bolton Road is ready to welcome a man aged 40 or over, with a learning disability or autism. The people we support here are men and women aged between 26 and 63.

The people here enjoy peace and quiet and have a good level of independence, so someone with a similar personality is ideal.

At Bolton Road, people choose how they spend their time – meetings are held every four weeks to decide on what kind of activities we should do. People particularly enjoy going to Southport or Formby beach.

# Valued in your community

**There is nothing more valuable than being an active part of the local community.**

At Bolton Road, we are fortunate to be located in a vibrant residential area with cafés, pubs and restaurants, as well as a post office, library and beautiful walks along the coast. Victoria Leisure Centre provides year-round access to a gym and swimming pool.

In nearby Southport, there are lots of things to do, including Southport Pleasureland, Pier and Beach, Marine Lake Promenade, the Model Railway Village, a Vue Cinema, Tenpin Southport for bowling, theatres, art galleries and high-street shops and banks.

People also like to visit Liverpool, which has numerous museums and art galleries, Liverpool ONE Shopping Centre, the Liverpool Empire, the Royal Liverpool Philharmonic, and Imagine That Science and Discovery Centre.

## It's good to know...

We're on the outskirts of Southport, which has shops, cafés and restaurants.

Tesco, the Co-op, Waitrose, Aldi, Iceland, Sainsbury's and Asda are all in the surrounding area.

The GP surgery and NHS dentist are less than one mile away.

There's a bus stop within a short walk, with routes into Ainsdale, Southport and Liverpool.

The nearby train station is just a 5-minute walk and has regular services to Southport and Liverpool.

There is on-site parking for people with cars.

# Five reasons to choose Lifeways

## yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

## yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

## yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

## yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

## yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

to ambition

## So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

# Supporting people to live the life they choose.

Lifeways Raglin has been supporting people as part of the Lifeways Group since 2011. At Lifeways, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

## Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
