Welcome to Emery Court

At Emery Court apartments, people benefit from a vibrant network of staff and friends, while having peace and quiet when they need it too.

The property has ten apartments, each with an open-plan kitchen and living room, a bathroom with a shower cubicle, and a bedroom that is accessed by a set of stairs. There is an additional apartment which has an open-plan kitchen and living room, a bathroom with a shower cubicle, two bedrooms and no internal stairs.

Emery Court also has two bungalows on site, each with one bedroom, an open-plan kitchen and living room and a bathroom.

There is a small area with grass for people to spend time relaxing outside when the weather is good. Assistive technology can be tailored to suit the needs of each person and includes an intercom, CCTV and a Tunstall connected care system.

When you choose supported living, you're choosing to live independently, safe and secure behind your own front door. There's peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

“At Emery Court the people we support can come and go as they please, with staff to keep them safe. The community is very accepting of the service. People find it a great place to develop new skills and independence, usually for the first time in their life. People are very proud to have their own tenancy. In the summer people come together to do lots of activities to raise money for charities. This involves families and the local community joining us for BBQs, fun runs and other activities.”

Valued in your community

There is nothing more valuable than being an active part of the local community.

Emery Court is in a quiet area of Dudley close to pubs, shops, restaurants, a post office and a library. For people who like to stay active, Concordia Leisure Centre has a gym, exercise classes, a sports hall, and a swimming pool. There's a Clip 'n' Climb climbing wall too. We are also close to the coast which has picturesque walks.

South Shields offers larger amenities such as the Life Brigade Museum, South Shields Roman Fort, and the Ocean Beach Pleasure Park. Nearby Tynemouth has attractions including Tynemouth Aquarium, Tynemouth Priory and Castle, and Gutterball Alley for bowling.

People also like to visit Newcastle for the Life Science Centre, Victoria Tunnel Tours, the Discovery Museum, Great North Museum, Baltic Centre for Contemporary Art, a number of theatres and cinemas, Eldon Square shopping centre, and Newcastle Castle.

It's good to know...

We're in a residential area seventeen minutes outside Newcastle.

We're spoilt for choice with supermarkets. The Spar is within walking distance while Sainsbury's, Asda, Iceland and Aldi are in Cramlington.

The GP surgery and NHS dentist are two and a half miles away in Cramlington.

There's a bus stop within a short walk, with routes into Cramlington and North Shields.

The nearby train station is just an eight-minute drive, and has services to Newcastle and Morpeth.

There is plenty of on-site parking available for people with cars.

yes to friendships

“Since living at a Lifeways service I have become more confident and independent. I am able to make everyday decisions with the help from my team, who support me in a consistent way; this is very important to me. My self-esteem has grown with the support I receive and I couldn't be happier.”

Five reasons to choose Lifeways

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

to ambition

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

At Lifeways, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
