“Norfield is a really homely home with a family feel and very friendly staff. It’s in a great location with lots to do nearby, and London is only an hour away by train or car – perfect for a day trip.”

Manager, Norfield

Welcome to Norfield

At Norfield people are welcomed and supported to live independent lives.

Norfield is a fully accessible 2 bedroom bungalow with a kitchen, living room, dining room plus an open-plan lounge-diner. There are two bathrooms, one is a wet room and one has a bath.

There's also a lovely accessible garden with decking and a patio area for spending time outdoors when the weather is good.

Assistive technology can be tailored to suit the needs of each person. There is level access into the bungalow.

When you choose supported living, you're choosing to live independently, safe and secure behind your own front door.

There's peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at Norfield is suitable for people with learning disabilities, brain injuries, physical disabilities and autism.

We are ready to welcome a person of any age. The person we support here appreciates their own space and enjoys a quiet atmosphere, so someone with a similar outlook is an ideal fit.

The current resident enjoys gaming, gardening and volunteering. He also likes getting out in the community, going out for lunch and shopping.

Valued in your community

There are few things more rewarding than feeling like an active and valued part of the community.

Norfield is in a residential area with convenience stores, restaurants, pubs and takeaways. There's a library, cinema and local park close by, as well as a local GP surgery and dentist.

For people who like to stay active, Fairfield Leisure Centre is only 2 miles away and has a gym and swimming pool. People can also enjoy walks in the nearby Darenth Country Park and Rowhill Woodlands.

Nearby Dartford offers a wealth of leisure activities and attractions including theatres and parks, and the Bluewater Shopping Centre is only a 15-minute drive away.

It's good to know...

We're in a quiet residential area with great local amenities.

We're spoilt for choice with supermarkets – Tesco, ASDA and Waitrose are all nearby.

There's a GP and dentist in the local area.

There's a bus stop five minutes walk away where you can go to Swanley Town Centre and Dartford.

The nearby train station is 10 minutes by car with direct lines to both London and Gravesend.

There is on-site parking available for people with cars.

yes to friendships

“Since living at a Lifeways service I have become more confident and independent. I am able to make everyday decisions with the help from my team, who support me in a consistent way; this is very important to me. My self-esteem has grown with the support I receive and I couldn't be happier.”

Five reasons to choose Lifeways

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

yes
to ambition

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

At Lifeways, our focus is you. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
