# Welcome to Crab Lane

**At Crab Lane we support people to live independently by providing person-centred, tailored support that helps people to lead more fulfilling lives.**

Crab Lane is a three-bedroom bungalow with an open plan dining room and living room, separate kitchen and a laundry room. There is a shared bathroom with bath and one bedroom has an en-suite bathroom.

Crab Lane has an accessible front and back garden with a patio and BBQ for people to enjoy during the fine weather.

Assistive technology can be tailored to suit the needs of each person. There is level access into the bungalow.

When you choose supported living, you're choosing to live independently, safe and secure behind your own front door. There's peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at Crab Lane is suitable for people with learning disabilities or autism.

We are ready to welcome a person aged between 40 and 70. The people we support here like music, sports and enjoy accessing the community, so someone with a similar outlook is an ideal fit.

We will support any new resident to live the life they choose, in a warm and friendly environment.

# Valued in your community

**We appreciate the rewards of feeling like an active member of the community, and encourage everyone to get out and about and take advantage of all local amenities and facilities.**

Crab Lane is in a residential area which has convenience stores, restaurants, pubs and takeaways within walking distance. There's a library, a post office and the British Wildlife Rescue Centre is nearby too, offering workshops and volunteering opportunities. People also like to visit Eccleshall to browse the wide range of shops, restaurants and the ever popular farmer's market.

The local Alleyne Sports Centre offers a diverse programme of activities to suit all ages and tastes with a 25m six-lane swimming pool, a large sports hall for badminton and other activities, and two glass backed squash courts. Stafford Park is a popular destination locally and is a great area for people who enjoy walking.

# Five reasons to choose Lifeways

## **yes to stability.**

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

## **yes to reassurance.**

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

## **yes to local.**

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

## **yes to relationships.**

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

## **yes to quality.**

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

# yes to ambition

## So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

# Supporting people to live the life they choose.

At Lifeways, our focus is you. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

## Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
