Waiting Room

“Pound Road is a really friendly house in a lovely rural area. Everyone here gets great support out in the community and we really encourage everyone to get out and about and enjoy their independence”

Manager, Pound Road

Welcome to Pound Road

At Pound Road people are welcomed and supported to live independent lives.

Situated in a quiet village just outside Tonbridge, Pound Road is a semi-detached house that is divided into three apartments. The house has an open-plan kitchen, lovely lounge area and a small conservatory. One flat is self-contained, with a large shared bathroom and shower room for the other flats.

The flats all include a staff alert system, wi-fi is available and there's a small garden for everyone to enjoy. There's also plenty of parking.

When you choose supported living, you're choosing to live independently, safe and secure behind your own front door.

There's peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at Pound Road is suitable for people with learning disabilities.

The current residents enjoy watching TV, listening to music and cooking. They also enjoy a good level of independence and often go out on walks or to the pub. Both current residents are male so Pound Road is perfect for another male who enjoys similar activities.

Valued in your community

There are few things more rewarding than feeling like an active and valued part of the community.

Pound Road is in a quiet, rural village which has a local pub, several cafes, a post office and local park. There's also a local GP and dentist. A Co-op supermarket and small convenience shops are also nearby.

Tonbridge is a 15 minute drive away, and there's a bus stop right outside the house with links to Tonbridge and Maidstone. Tonbridge is a bustling market town with a huge choice of restaurants and bars, great shopping and popular tourist attractions such as Tonbridge Castle.

The High Weald Area of Outstanding Natural Beauty is right on the doorstep, along with various tourist attractions such as The Hop Farm and Scotney Castle, a National Trust country house.

It's good to know...

We're in a lovely rural area in the heart of a friendly community.

There are plenty of local supermarkets and convenience stores nearby, with a Co-op on the same road.

The GP surgery is less than half a mile away and there's a choice of local dentists.

There's a bus stop right outside which links to Tonbridge, Maidstone and Paddock Wood, with Tonbridge only a 15 minute drive away.

The nearby train station is five minutes away in Beltring with services to Strood and Tonbridge.

There is a car park outside the property.

yes to friendships

“Since living at a Lifeways service I have become more confident and independent. I am able to make everyday decisions with the help from my team, who support me in a consistent way; this is very important to me. My self-esteem has grown with the support I receive and I couldn't be happier.”

Person supported by Lifeways

Five reasons to choose the Lifeways Group

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

yes
to ambition

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

Future Home Care has been supporting people as part of the Lifeways Group since 2014. At the Lifeways Group, our focus is you. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why us?

We believe that anyone can achieve the extraordinary. And that's why we exist. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
