yes to you

“This is a large house in a quiet but friendly location. It’s a very comfortable home with two quiet and content people who are supported to live happy, fulfilling lives.”

Manager, Priory Walk

Welcome to Priory Walk

At Priory Walk we empower people with learning disabilities, autism and other complex needs to live as independently as possible, to become integral members of the community and to achieve their goals and aspirations through individual care pathways.

This large, modern detached house has three bedrooms, a living room, dining room, quiet lounge, kitchen and laundry room. One bedroom has an en-suite while the other two bedrooms share a large bathroom. There's also an accessible garden with a patio for everyone to enjoy.

When you choose supported living, you're choosing to live independently, safe and secure behind your own front door.

There's peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at Priory Walk is suitable for people with learning disabilities, autism or brain injuries, and ideally we would love to welcome a woman over 50 who enjoys socialising while also appreciating quiet time in a friendly home.

The current residents have a wide range of hobbies and interests including going for walks, getting out into the community, cooking, going on day trips, cooking and bingo.

Valued in your community

There are few things more rewarding than feeling like an active and valued part of the community.

Priory Walk is in a quiet residential area just outside Sutton Coldfield and within easy reach of all local shops and amenities.

There are some beautiful green spaces near this service, including Sutton Park and Pype Hayes Park – perfect for people who like spending time outdoors. The vibrant city of Birmingham with all its attractions is only seven miles away, ideal for day trips.

yes to friendships

“Since living at a Lifeways service I have become more confident and independent. I am able to make everyday decisions with the help from my team, who support me in a consistent way; this is very important to me. My self-esteem has grown with the support I receive and I couldn’t be happier.”

Five reasons to choose Lifeways

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

yes
to ambition

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

At Lifeways, our focus is you. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
