“Haynes Road is a lovely, bright, family-style home. It’s in amazing condition and has been built to a very high quality. Inside is very well laid out and spacious. We are in a nice residential setting, close to all amenities. The people we support are very calm and friendly. We are only fifteen minutes’ walk from the river for lovely long walks.”

Manager, Haynes Road

Welcome to Haynes Road

At Haynes Road we empower people with learning disabilities, autism and other complex needs to live as independently as possible, to become integral members of the community and to achieve their goals and aspirations through individual care pathways.

This three-bedroom semi-detached house has an open-plan kitchen, living room and dining room, a communal bathroom with a walk-in shower, and an ensuite with a bathroom with shower. Patio doors from the kitchen lead onto an accessible garden with a decking for spending time outdoors when the weather is good.

When you choose supported living, you’re choosing to live independently, safe and secure behind your own front door. There’s peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at Haynes Road is suitable for people with learning disabilities, brain injuries, mental health conditions and autism.

We are ready to welcome a sociable person to join the two men we support here.

Both in their thirties, the people we support here live with mental health conditions, autism and acquired brain injury. One man enjoys walking in the park, going to the gym, shopping, and visiting his mum. He appreciates his personal space and sometimes needs a lot of encouragement from staff to stay motivated. Another man likes meeting his friends, being with family and going to the river.

People have hobbies including listening to music, swimming, gaming, watching television, going to the pub, socialising and being in the community.

Valued in your community

There is nothing more valuable than being an active part of the local community.

Haynes Road is in a residential area with pubs, shops, restaurants and a post office. Bedford is within walking distance and offers the Harpur Shopping Centre, a Vue Cinema, The Higgins Art Gallery and Museum, and Bedford Central Library.

For people who like to stay active, Trinity Arts and Leisure provides year-round access to exercise classes, a gym, sports courts and a swimming pool. People also enjoy walking in the local area - Bedford Park is a popular destination.

People also like to visit nearby Northampton which has attractions including the Grosvenor Shopping Centre, theatres, museums, art galleries, Ten Pin Northampton for bowling, Northampton Marina, and Delapre Abbey.

“Since living at a Lifeways service I have become more confident and independent. I am able to make everyday decisions with the help from my team, who support me in a consistent way; this is very important to me. My self-esteem has grown with the support I receive and I couldn't be happier.”

Five reasons to choose Lifeways

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

yes
to ambition

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

At Lifeways, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
