“Great Gonerby has a nice community feel, and is in a great location for accessing the local area. Everyone here is supported to live a happy life, make their own decisions and be as independent as possible.”

Manager, Great Gonerby

Welcome to Great Gonerby

At Great Gonerby apartments, people can benefit from a vibrant network of staff and friends, while having peace and quiet when they need it too.

The service at Great Gonerby consists of six self-contained apartments, four with two bedrooms and two with one bedroom. Each also has a bathroom, living room and fitted kitchen. Each house has a small garden for residents to enjoy.

There is a staff annexe in the middle of the site so someone is always on hand if needed, and there is also an emergency call system in each flat for added safety and security.

When you choose supported living, you're choosing to live independently, safe and secure behind your own front door.

There's peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at Great Gonerby is suitable for people with learning disabilities, physical disabilities, autism or mental health conditions.

We are ready to welcome someone who wants to increase their independence and enjoy getting out in the local community. The current vacancy is suitable for someone with physical disabilities.

The other residents enjoy a wide range of activities and hobbies, and everyone is supported to increase their skills and achieve their goals. The service is in a great location to access local volunteering opportunities and there is a college in Grantham with courses for people with learning disabilities.

yes to friendships

“Since living at a Lifeways service I have become more confident and independent. I am able to make everyday decisions with the help from my team, who support me in a consistent way; this is very important to me. My self-esteem has grown with the support I receive and I couldn't be happier.”

Person supported by Lifeways

Five reasons to choose the Lifeways Group

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

yes
to ambition

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

Autism Care has been supporting people as part of the Lifeways Group since 2015. At the Lifeways Group, our focus is you. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why us?

We believe that anyone can achieve the extraordinary. And that's why we exist. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
