Manager, Coronation Avenue

# Welcome to Coronation Avenue

**Coronation Avenue is a comfortable three bedroom semi-detached home where people are supported to live happy and fulfilling lives.**

The house is in a lovely residential area, and in addition to the three bedrooms it has a living room, dining room, fitted kitchen and two shared bathrooms. Outside there's a garden with a patio that all residents can enjoy.

When you choose supported living, you're choosing to live independently, safe and secure behind your own front door.

There's peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at Coronation Avenue is suitable for people with learning disabilities, autism or mental health conditions.

We are ready to welcome an older man to the service. The two men we support here are sociable but also appreciate their own space and enjoy a quiet atmosphere, so someone with a similar outlook is an ideal fit.

The current residents enjoy going to the pub, trips into Southport and Liverpool, and watching television. The new resident will be made very welcome, and will be supported to increase their skills and independence and achieve their goals.

# Valued in your community

**There are few things more rewarding than feeling like an active and valued part of the community.**

Coronation Avenue is in a popular residential area with convenience stores, restaurants, pubs and takeaways. Formby is a vibrant town with all the shops and amenities you would expect, and is ideally placed on the train line between Southport and Liverpool.

For people who like to stay active, there are local gyms and leisure centres, as well as the beautiful Sefton coastline which provides walks in the pine woods and access to the beach and National Trust red squirrel reserve.

# Five reasons to choose Lifeways

## **yes to stability.**

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

## **yes to reassurance.**

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

## **yes to local.**

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

## **yes to relationships.**

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

## **yes to quality.**

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

to ambition

### **So what happens next?**

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

# Supporting people to live the life they choose.

At Lifeways, our focus is you. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

## Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
