“This can be a fresh start for any new resident. The bungalow is a big family environment with a dedicated and experienced staff team. We want people to be happy in their lives and we ensure that we support them in a person-centred way through building confidence, learning new life skills, encouraging independence and supporting people to take part in current and new hobbies as well as exploring the area.”

Manager, Hazelton

Welcome to Hazleton

Hazleton is a modern bungalow in the popular Parsons Heath area of Colchester.

The house has two bedrooms, a large accessible wet-room style bathroom, a spacious living and dining room, and a separate fitted kitchen. Outside there's a small accessible garden.

There's level access to the bungalow which would be suitable for a wheelchair user.

When you choose supported living, you're choosing to live independently, safe and secure behind your own front door.

There's peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at Hazleton is suitable for people with learning disabilities, physical disabilities, mental health conditions or autism.

The service is currently vacant so we are ready to welcome someone of any age or gender who would like a homely environment and the support to become more independent.

Whoever moves in will be supported to increase their skills, enjoy the local community and pursue their personal goals and dreams whatever they may be.

Valued in your community

There are few things more rewarding than feeling like an active and valued part of the community.

Hazelton is in a residential area with convenience stores, pubs and takeaways within a mile or two. Colchester is only two miles away, and here you'll find a wide range of shops, restaurants, museums and parks. Local attractions include Colchester Zoo, Colchester Castle & Museum and Colchester Arts Centre.

For people who enjoy outdoor activities there are beautiful walks to be had around Beth Chatto's Plants and Gardens, Castle Park and Lexden Park. Colchester also has various gyms and leisure centres as well as great watersports opportunities further out on the coast.

It's good to know...

We're in a residential area just outside Colchester.

The nearby train station is two miles away and has connections to London, Ipswich, Norwich and all surrounding towns and cities.

Tesco Express is a short walk away, with Waitrose, Co-op and Aldi within a couple of miles.

There's a bus stop right outside the house, with services into Colchester and around the local area.

There are a few GP surgeries and dentists to choose from in Parsons Heath and nearby Greenstead.

There is a driveway at the service as well as on-street parking.

yes to friendships

“Since living at a Lifeways service I have become more confident and independent. I am able to make everyday decisions with the help from my team, who support me in a consistent way; this is very important to me. My self-esteem has grown with the support I receive and I couldn’t be happier.”

Five reasons to choose the Lifeways Group

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

Living Ambitions has been supporting people as part of the Lifeways Group since 2015. At the Lifeways Group, our focus is you. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why us?

We believe that anyone can achieve the extraordinary. And that's why we exist. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
