Uppingham Road is a very nice home and has lots of space. The two current tenants are very friendly and welcoming, they are both very clean and tidy and keen to have a quiet, friendly home.”

Manager, Uppingham Road

Welcome to Uppingham Road

Uppingham Road is a three bedroom house where people are supported to live the life they choose

The house is semi-detached and has a kitchen, living room, dining room, laundry room and an additional quiet lounge. One of the bedrooms has an en-suite, and there is a large shared bathroom on the first floor as well as a downstairs toilet.

Outside there's a garden for everyone to enjoy, with a patio area and raised beds. Pets may be allowed - we currently have a resident budgie.

When you choose supported living, you're choosing to live independently, safe and secure behind your own front door. There's peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at Uppingham Road is suitable for people with learning disabilities or autism.

We are ready to welcome a man aged between 20 and 60. The two men who currently live here are in their 40s, they are very house proud and don't like a noisy environment, so someone quiet and tidy would be the ideal fit.

They enjoy going out for lunch and shopping, and are friendly and sociable and would make the new tenant very welcome.

Valued in your community

There are few things more rewarding than feeling like an active and valued part of the community.

The service is located in Stoneycroft, a popular residential area a few miles outside Liverpool. It's a few minutes' walk from Queens Drive which offers pubs, restaurants and retail parks. It's also well placed for accessing transport routes to the local area.

For people who like to stay active, Peter Lloyd Leisure Centre is a short walk away and provides year-round access to exercise classes, a gym and a swimming pool.

Liverpool is easily accessible from the property. Here, people can enjoy numerous museums and art galleries, Liverpool ONE Shopping Centre, the Liverpool Empire, the Royal Liverpool Philharmonic, and Imagine That Science and Discovery Centre. And we're spoilt for choice for beautiful walks - the docks, Toxteth Park, Wavertree Botanic Gardens and Sefton Park are just a small selection.

It's good to know...

We're in a popular residential area in Stoneycroft just outside Liverpool.

There's an Aldi and M&S Foodhall within a mile, with Tesco, Iceland and Asda a little further afield.

There are GP surgeries, dentists and opticians within a few miles of the service.

There's a bus stop about a six minute walk away, with regular services into Liverpool.

The closest train station is Broadgreen, about ten minutes away by car. Trains run regularly into Liverpool, Warrington, Wigan and Crewe.

There is on-street parking available for people with cars.

Five reasons to choose Lifeways

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

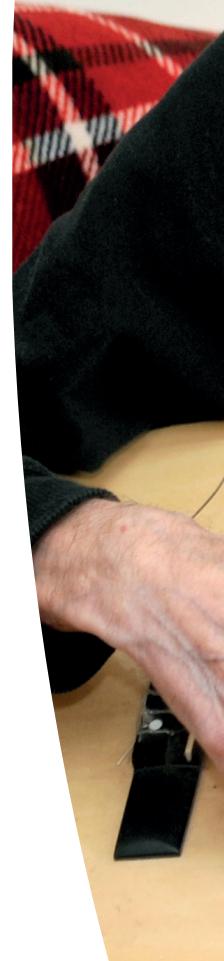

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

**yes
to ambition**

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

Lifeways Raglin has been supporting people as part of the Lifeways Group since 2013. At Lifeways, our focus is you. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
