“At Greenways, people are supported to retain control over their daily lives. Each person’s daily experience depends entirely on how they want to live.”

Manager, Greenways

Welcome to Greenways

Greenways is a specialist residential and respite service where people are supported to live with independence.

This five-bedroom semi-detached house has a dining room, a living room, a kitchen and a laundry room. There are three communal bathrooms - two upstairs and one on the ground floor. Outside, there is a large pleasant garden with a patio area to enjoy when the weather is good.

Life at Greenways is suitable for people with learning disabilities, autism or mental health conditions.

We are ready to welcome a man to join the people we support here, men aged between 64 and 74 who live with learning disabilities, Down's syndrome and autism. People enjoy going out as a group, but also appreciate their own space so someone with a similar outlook is ideal here.

The older man we support likes trains, buses, tea and biscuits, pub meals, playing cards and doing jigsaw puzzles. The youngest man enjoys horse riding, clothes and going to scouts. He likes a quiet atmosphere but also enjoys a laugh. The final resident likes watching television, shopping, eating out and having a chat.

Whoever moves in will be supported to pursue the hobbies and interests they enjoy, while enhancing skills and independence.

Valued in your community

There are few things more rewarding than feeling like an active and valued part of the community.

Greenways is in a residential area with convenience stores, cafes, pubs and restaurants. There's a library, a post office, The Ashley Centre with high-street shops, an Odeon Cinema, and Epsom Playhouse too. At Greenways, people choose how they spend their time. Trips to museums and local parks are favourites.

For people who like to stay active, Rainbow Leisure Centre provides year-round access to a swimming pool, exercise classes, sports halls and a gym. People also enjoy walking in the area - Mounthill Gardens and Rosebery Park are popular destinations.

Central London is easily accessible and has tourist attractions including museums and art galleries, the London Eye, the Tower of London, the Sealife Centre Aquarium and London Zoo.

It's good to know...

We're in a vibrant area just ten minutes' walk from central Epsom. London is fifty minutes via public transport.

We're spoilt for choice with supermarkets - Tesco, the Co-op and Waitrose are all close by.

The GP surgery and NHS dentist are within half a mile of the property.

The nearby train station is just ten minutes' walk, and has services to Dorking, Horsham, Guildford, and London stations.

There's a bus stop within a short walk with regular routes into Epsom, Colliers Wood, Kingston, West Croydon, Gatwick Airport, Tadworth, Crawley and Morden.

There is one onsite parking space available for people with cars, as well as on-road parking.

yes to friendships

“Since living at a Lifeways service I have become more confident and independent. I am able to make everyday decisions with the help from my team, who support me in a consistent way; this is very important to me. My self-esteem has grown with the support I receive and I couldn’t be happier.”

Person supported by Lifeways

Five reasons to choose the Lifeways Group

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

yes to ambition

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

Living Ambitions has been supporting people as part of the Lifeways Group since 2015. At the Lifeways Group, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why us?

We believe that anyone can achieve the extraordinary. And that's why we exist. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
