

St Matthews Court

Pitt St, Wombwell, Barnsley, South Yorkshire, S73 8HP

Enhanced mental health community recovery

St Matthews Court is a development of 10 high quality, self-contained flats in Barnsley that will provide accommodation and 24 hour support for people with complex mental health needs. Person-centred recovery support will be provided by a core on-site team of Recovery Support Workers, with additional 'wrap around' support from SIL's Quality and Practice Team. This team of mental health professionals provides support to all of our schemes to ensure a high level of professional competence and understanding across assessments, risk management and recovery interventions and support.

At a glance:

- ▶ 10 spacious, light and airy self-contained one bedroom apartments
- ▶ Bespoke recovery plans that put the individual in control of their recovery journey
- ▶ On-site support available 24/7
- ▶ Stylish modern kitchens and bathrooms with white goods provided in each apartment
- ▶ CCTV for additional security

Our commitment:

- Our services are firmly based on the concept of recovery
- Each individual is fully involved in the development of their own recovery plan
- We are committed to support service users to develop the skills and resilience to manage their own lives
- Support will always be 'on tap' and not 'on top'
- We develop and sustain an environment which is always hopeful, and we will maintain a positive approach to risk, and support individuals by promoting independence, empowerment and strengths
- Recognise the diversity and uniqueness of each individual, and ensure everyone is treated with respect and dignity, we will always see the individual beyond the diagnosis

SIL services

SIL's primary purpose is to support the early and timely transition of individuals from hospital and medium to low secure settings to a community based high support service, providing self-contained accommodation, individual tenancies and support from a 24/7 team of Recovery Support Workers. SIL services are firmly based on the concept of recovery, with personalised recovery plans being co-produced with each individual to help them identify and achieve their goals and move forward in their lives, whilst managing ongoing symptoms.

We provide:

- Support for our service users provided by trained and committed Recovery Support Workers, backed up by the resources of our Quality and Practice Team
- Comprehensive quality assured referral, assessment and risk management processes, and a positive approach to risk
- Robust quality assurance, governance and safeguarding
