

Overton Buildings

Flat 5 (office), West Street, Leek, ST13 8GA

Enhanced mental health community support

Overton Buildings is a development of 11 high quality self-contained flats in Leek that provides accommodation and 24 hour support for people with "complex" mental health needs. Person-centred recovery support is provided by our core on-site team of Recovery Support Workers, with additional support from our peripatetic Quality and Practice Team.

We work to support and sustain the transition for people with mental health problems from institutional settings to their own tenancy in the community, enabling them to live independently while receiving the exact package of recovery support that they need.

At a glance:

- 11 spacious and unique apartments
- Bespoke recovery plans that put the individual in control of their recovery journey
- On-site support available 24/7
- Stylish modern kitchens and bathrooms with white goods provided in each apartment
- CCTV for additional security

Our commitment:

- ▶ Our services are firmly based on the concept of recovery
- ▶ Each individual is fully involved in the development of their own recovery plan
- ▶ We are committed to support service users to develop the skills and resilience to manage their own lives
- ▶ Support will always be 'on tap' and not 'on top'
- ▶ We develop and sustain an environment which is always hopeful, and we will maintain a positive approach to risk, and support individuals by promoting independence, empowerment and strengths
- ▶ Recognise the diversity and uniqueness of each individual, and ensure everyone is treated with respect and dignity, we will always see the individual beyond the diagnosis

▶ Part of the Lifeways Group

Surrounding area

Overton Buildings is located 200 metres from the market place, central to the town, offering a range of amenities and shops. Leek offers a thriving local community of arts, music, culture, museums and parkland. G.P practices, dentists, opticians and a leisure centre are all within a short walking distance. Public transport provides regular links to Stoke on Trent, Macclesfield, Buxton and into the Peak District.

SIL services

SIL's primary purpose is to support the early and timely transition of individuals from hospital and medium to low secure settings to a community based high support service providing self-contained accommodation, individual tenancies and support from a 24/7 team of Recovery Support Workers with 'wrap around' support from our peripatetic Quality and Practice team. SIL services are firmly based on the concept of recovery, with personalised recovery plans being developed for each individual that help them to achieve their goals, move forward and develop meaningful relationships while managing their ongoing symptoms.

We provide:

- ▶ Support for our service users provided by trained and committed Recovery Workers, backed up by the resources of our Quality and Practice Team
- ▶ Comprehensive quality assured referral, assessment and risk management processes, and a positive approach to risk
- ▶ Robust quality assurance, governance and safeguarding
