Manager, The Green

Welcome to The Green

The Green is a modern shared house where people are welcomed and supported to live independent lives.

It is a lovely four-bedroom semi-detached house, located in a quiet residential area not far from Hitchin. The bedrooms share a bathroom and there's an additional toilet, and downstairs there's a large kitchen, living room and dining room. The property has a separate laundry room and outside an accessible garden with a patio area that everyone can enjoy.

When you choose supported living, you're choosing to live independently, safe and secure behind your own front door.

There's peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at The Green is suitable for people with learning disabilities, brain injuries, physical disabilities, autism or mental health conditions.

We are ready to welcome a person of any age who would benefit from independent living with the right amount of support. The people we support here have lots of hobbies and interests, including going out for lunch, walking, cooking, swimming and bingo.

They also enjoy day trips and going out shopping, and everyone is encouraged to pursue their own interests and get the most out of the local community.

Valued in your community

There are few things more rewarding than feeling like an active and valued part of the community.

The Green is in the small town of Stotfold, which has convenience stores, restaurants, pubs and cafes. There's also the pretty Stotfold Watermill Nature Reserve featuring a working watermill, cafe, and beautiful parkland.

Other local towns include Biggleswade and Letchworth Garden City which is home to the Garden Square Shopping Centre, various galleries, a cinema and a wide range of public parks.

The Green is located close to the A1 giving excellent access to the wider local area and a direct route into London.

yes to friendships

“Since living at a Lifeways service I have become more confident and independent. I am able to make everyday decisions with the help from my team, who support me in a consistent way; this is very important to me. My self-esteem has grown with the support I receive and I couldn’t be happier.”

Five reasons to choose the Lifeways Group

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

Care Solutions has been supporting people as part of the Lifeways Group since 2014. At the Lifeways Group, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why us?

We believe that anyone can achieve the extraordinary. And that's why we exist. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
