Woolsington Court

Bedlington, Northumberland

Life-changing supported living
at the heart of the community

“Woolsington Court is a fantastic service that feels like a family. We have a committed support team who always like to make every day count and make each day as special and exciting as the last.”

Manager, Woolsington Court

Welcome to Woolsington Court

Woolsington Court is a three bedroom bungalow where people are welcomed and supported to live happy and independent lives.

There are two shared bathrooms, one bathroom has a bath and the other is a wet room. There is also a large living room, kitchen-dining room and a separate utility room.

Outside there is a small outdoor seating area and the service is close to lovely green spaces and public parks.

When you choose supported living, you're choosing to live independently, safe and secure behind your own front door. There's peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at Woolsington Court is suitable for people with learning disabilities or autism.

We are ready to welcome an older gentleman who enjoys getting out and about for meals, theatre trips and days out. The two men living here are both over 70 so someone in a similar age group would be ideal.

The residents really enjoy going out and regularly plan day trips, walks, lunches and trips to the coast. They also enjoy watching television, listening to music and gardening.

Valued in your community

There are few things more rewarding than feeling like an active and valued part of the community.

Woolsington Court is located in a pleasant residential area in the centre of Bedlington, close to all local amenities like pubs, restaurants, high street shops, supermarkets and banks. There's a post office, pharmacy and bakery nearby too, as well as public parks and a leisure centre.

Transport links to nearby towns are excellent, with Blythe, Whitley Bay and Newcastle all within half an hour's drive. There are some wonderful parks and outdoor spaces to enjoy, with Northumberland National Park and the North Pennines Area of Outstanding Natural Beauty close enough for a day trip.

Five reasons to choose Lifeways

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

to ambition

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

At Lifeways, our focus is you. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
