Manager, Flaxman Avenue

Welcome to Flaxman Avenue

Flaxman Avenue is a spacious, purpose-built residential short breaks and respite service for adults with learning disabilities, autism and physical disabilities.

Sitting at the heart of the local community, Flaxman Avenue offers opportunities for positive social inclusion as well as the skilled support needed by each individual. There are spacious and comfortable communal areas and a large enclosed garden to the rear which is accessible for wheelchair users.

At Flaxman Avenue we offer the highest standards of support through a commitment to person-centred planning, attention to detail, engaged staff teams and most importantly a passion for enabling the people we support to achieve their goals and self-direct their support as much as they can.

At Flaxman Avenue, everyone has their own person-centred plan to ensure that they get the most out of their stay, for example working towards gaining increased independence and using local community leisure resources.

Our focus for these services is on providing choice, control and happiness for every person coming to stay. Our personalised assessment processes ensures we create in-depth support plans which offer new and positive experiences, such as developing independent living skills.

We work inclusively with families and wider circles of support to provide a home-from-home experience.

Valued in your community

There are few things more rewarding than feeling like an active and valued part of the community.

Flaxman Avenue is set in a quiet residential area of York, with the local park just around the corner. York, a beautiful medieval city with meandering streets, is a place of extraordinary cultural and historical wealth, including the magnificent York Cathedral, the largest Gothic building in Britain. There is also a wealth of independent shops, restaurants and cafes including the famous Betty's Tea Rooms, parks, theatres, attractions and open countryside.

Transport links to York city centre are easy to access and there are many places of interest and areas of outstanding beauty nearby including Castle Howard, Brimham Rocks, and Rievaulx Abbey.

It's good to know...

We're in a quiet residential area of York.

We're spoilt for choice with supermarkets - Sainsbury's, Morrisons and Co-op are all nearby.

The GP surgery and dentist are close by.

There's a bus stop right outside with regular services into York.

The nearby train station is in York, about ten minutes' drive away.

There is on-site parking available for people with cars.

The woman in the middle has long dark hair with an orange polka-dot headband and is wearing a dark blue sweater. The woman on the right has long dark hair and is wearing a blue floral patterned shirt. They are all smiling and looking towards each other.

“Since living at a Lifeways service I have become more confident and independent. I am able to make everyday decisions with the help from my team, who support me in a consistent way; this is very important to me. My self-esteem has grown with the support I receive and I couldn’t be happier.”

Five reasons to choose Lifeways

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

yes
to ambition

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

At Lifeways, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
