yes to you

“It’s a lovely home and the team make it a real family-friendly environment. The people living here are sociable and really easy going and have lived here for over 11 years.”

Manager, Westfield Drive

Welcome to Westfield Drive

Westfield Drive is a spacious, modern bungalow where people are welcomed and supported to live independent lives.

The house has three bedrooms, kitchen, living room, dining room and laundry room. There's a large shared wet-room style bathroom and outside there's a lovely accessible garden with a patio area.

Assistive technology can be tailored to suit the needs of each person. There is level access into the bungalow.

When you choose supported living, you're choosing to live independently, safe and secure behind your own front door.

There's peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at Westfield Drive is suitable for people with learning disabilities, brain injuries, physical disabilities or autism.

We are ready to welcome someone of any age or gender who likes socialising and would like to be part of a warm and welcoming service.

The people we support here have lots of hobbies and interests, enjoying going out for walks and to the pub, shopping, cooking, gaming and day trips, with Blackpool and Llandudno being favourites.

Valued in your community

There are few things more rewarding than feeling like an active and valued part of the community.

Westfield Drive is in a quiet residential area in Croxteth, just outside Liverpool. Croxteth Hall and Country Park are right on the doorstep, and Croxteth town centre, with shops, banks and cafes, is about a mile away.

Liverpool City Centre is a 20-minute drive away, and is a vibrant and historic city where people can enjoy numerous museums and art galleries, Liverpool ONE Shopping Centre, the Liverpool Empire, the Royal Liverpool Philharmonic, and Imagine That Science and Discovery Centre.

And we're spoilt for choice for beautiful walks - the docks, Croxteth Park, Wavertree Botanic Gardens and Sefton Park are just a small selection. Transport links are excellent, buses and trains run regularly to Liverpool where you can connect to local and national destinations.

It's good to know...

We're in a quiet residential area of Croxteth.

We're spoilt for choice with supermarkets - Sainsbury's, Tesco and Aldi are all nearby.

There are several GP surgeries and medical centres within a few miles of the house.

The bus stop is three minutes away with regular local services into Liverpool.

The nearby train station is at Huyton, a 20 minute drive away, with trains to Liverpool, Manchester, Wigan and Blackpool.

There is on-street parking available for people with cars.

A photograph of a man and a woman sitting together, looking at a laptop. The man, on the left, is wearing a dark polo shirt with green horizontal stripes and glasses. The woman, on the right, is wearing a grey sweater with a hummingbird pattern, red-rimmed glasses, and large red headphones. They are both looking intently at the laptop screen. The background is a wall of crumpled paper.

yes to friendships

“Since living at a Lifeways service I have become more confident and independent. I am able to make everyday decisions with the help from my team, who support me in a consistent way; this is very important to me. My self-esteem has grown with the support I receive and I couldn’t be happier.”

Five reasons to choose Lifeways

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

yes
to ambition

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

At Lifeways, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
