To his right, a man in a blue denim jacket and dark pants is walking with a cane. They are on a path next to a lake with swans and ducks. In the background, there are green trees and a building with a clock tower.

"It's a lovely quiet and calm service. The people here are happy and enjoy relaxing at home as well as getting out and about."

Manager, Maple Grove

Welcome to Maple Grove

Maple Grove is an accessible bungalow where people are welcomed and supported to live happy, independent lives.

There are four bedrooms, two of which have ceiling tracks. One room is used as a staff sleep-in room. There are two shared bathrooms, one is a shower room and the other has a ceiling track with a Hi-Lo bath. There's also an open plan living room, kitchen and separate dining room.

Outside there's a good-size garden with a patio area and a large garage.

When you choose supported living, you're choosing to live independently, safe and secure behind your own front door.

There's peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at Maple Grove is suitable for people with learning disabilities, physical disabilities or autism.

We support two people at Maple Grove, they are over 65 and are both wheelchair users. They enjoy a quiet home and like to relax watching television and chatting. They do lots of fun activities, like day trips to the beach and to the zoo. They enjoy spending time in the garden. They each have their own mobility car and often go shopping and out for lunch. At Christmas they go to the panto and one lady also likes to attend the local day centre.

Valued in your community

There are few things more rewarding than feeling like an active and valued part of the community.

Maple Grove is located in March, a small town near Peterborough. Within a short walk there's a convenience store, pub, post office and takeaways. March has plenty of shops and places to eat, and we are five minutes away from a popular park.

March train station has direct services to Ipswich and Cambridge, and you can get a direct train to Peterborough in less than 30 minutes. Peterborough has a museum and art gallery, theatre, cathedral and a cinema. There are also plenty of shops, places to eat and historic sites to explore. For those who like to stay active, George Campbell Leisure Centre is nearby and Norwood Road Nature Reserve is a lovely area for walking.

It's good to know...

We're in a pleasant residential area of March.

We're spoilt for choice with supermarkets - Sainsbury's, Tesco and Lidl are all nearby.

There are doctors, dentists and opticians within two miles.

There's a bus stop a few minutes' away with services across the local area and to Peterborough and Cambridge.

The train station is only a mile away, with services to Birmingham, Peterborough, Ipswich and Stansted Airport.

There is on-street parking available for people with cars.

“Since living at a Lifeways service I have become more confident and independent. I am able to make everyday decisions with the help from my team, who support me in a consistent way; this is very important to me. My self-esteem has grown with the support I receive and I couldn’t be happier.”

Five reasons to choose the Lifeways Group

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

yes to ambition

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

Care Solutions has been supporting people as part of the Lifeways Group since 2014. At the Lifeways Group, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why us?

We believe that anyone can achieve the extraordinary. And that's why we exist. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
