# Welcome to Meadway

**Meadway is a modern bungalow where people are supported to live happy and independent lives.**

The house has four bedrooms, two shared wet-room bathrooms, a large kitchen, lounge and a separate toilet. Outside there's a spacious garden with patio area and a large lawn.

When you choose supported living, you're choosing to live independently, safe and secure behind your own front door.

There's peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at Meadway is suitable for people with learning disabilities or autism.

We are ready to welcome a man aged over 40 to the house, to join the three gentlemen currently living here. The men here are all over 50 and have a range of hobbies, including listening to music, going out to the shops and for walks.

They enjoy a quiet atmosphere so someone who is looking for a calm environment would be ideal.

# Valued in your community

**There are few things more rewarding than feeling like an active and valued part of the community.**

Meadway is located in Weston Favell, a couple of miles from the centre of Northampton. Within walking distance there are shops, cafes and pubs, as well as the popular Abington Park. Weston Favell Shopping Centre is less than a mile away and offers a large supermarket, high street shops and a dining hall.

# yes to friendships

“Since living at a Lifeways service I have become more confident and independent. I am able to make everyday decisions with the help from my team, who support me in a consistent way; this is very important to me. My self-esteem has grown with the support I receive and I couldn’t be happier.”

# Five reasons to choose the Lifeways Group

## **yes to stability.**

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

## **yes to reassurance.**

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

## **yes to local.**

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

## **yes to relationships.**

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

## **yes to quality.**

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

# yes to ambition

## So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

# Supporting people to live the life they choose.

Care Solutions has been supporting people as part of the Lifeways Group since 2014. At the Lifeways Group, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

## Why us?

We believe that anyone can achieve the extraordinary. And that's why we exist. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
