“Chaplin Drive is a calm, relaxed and quiet home a little distance from Headcorn village. The people are supported to be as independent as possible and enjoy a great quality of life.”

Manager, Chaplin Drive

Welcome to Chaplin Drive

Chaplin Drive is a modern detached house where people are supported to live independent and fulfilled lives.

The house has four bedrooms, one is a staff sleep-in room and another is on the ground floor with its own shower room. There are two further bedrooms upstairs with a shared bathroom.

There's also a kitchen-diner which opens out onto a spacious lounge. Outside there's a small garden with a patio area and a shed for storage.

When you choose supported living, you're choosing to live independently, safe and secure behind your own front door.

There's peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at Chaplin Drive is suitable for people with learning disabilities or autism.

It is currently home to two ladies, one in her forties and one in her seventies. The atmosphere is very calm, quiet and relaxed in the house. The ladies enjoy going out, socialising with family and friends, trips into the nearby villages and towns, gardening, lunches out and trips to the coast.

The service would be ideal for another lady who is calm and would benefit from a quiet and relaxed home. Whoever moves in will be supported to live a happy life and achieve their goals, no matter how big or small.

Valued in your community

There are few things more rewarding than feeling like an active and valued part of the community.

Chaplin Drive is located a short walk from Headcorn village, which has shops, cafes, pubs, a post office, hairdressers and a church. Headcorn is an historic village in the heart of the Low Weald, about eight miles from Maidstone.

Maidstone has plenty of shops, places to eat and things to see – there's a museum, Leeds Castle and Kent Owl Academy. If you love being outdoors there are some beautiful parks to explore, including Mote Park and Vinters Valley Nature Reserve.

yes to friendships

“Since living at a Lifeways service I have become more confident and independent. I am able to make everyday decisions with the help from my team, who support me in a consistent way; this is very important to me. My self-esteem has grown with the support I receive and I couldn’t be happier.”

Person supported by Lifeways

Five reasons to choose Lifeways

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

yes to ambition

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

At Lifeways, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
