“We are delighted to welcome people to our newly refurbished supported living service in leafy North West London. Our dedicated support team are looking forward to supporting the people who will live at Cranhurst Road to lead fulfilling lives as active members of their local community.”

Manager, Cranhurst Road

Welcome to Cranhurst Road

Cranhurst Road is a newly refurbished house in a great North London location. The house has six bedrooms, all with their own en-suite wet room.

The house is spacious and has two kitchens, laundry rooms, two shared bathrooms with baths and two downstairs toilets. There are two large living rooms with French doors opening onto the south-facing gardens. There's also a staff office for waking night support.

The garden is large, laid to lawn with a beautiful tree and patio area.

When you choose supported living, you're choosing to live independently, safe and secure behind your own front door.

There's peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at Cranhurst Road is suitable for people with learning disabilities or autism.

We are ready to welcome new people to the service, ideally people with good mobility who would like to live alongside others. Whoever moves in will be supported to live the life they choose and get involved in community life. We're in a really vibrant area of North London with plenty of local amenities and central London less than 20 minutes away by train.

Valued in your community

There are few things more rewarding than feeling like an active and valued part of the community.

Cranhurst Road is located in North West London, with plenty of shops, cafes, restaurants and takeaways right on the doorstep. The local tube is a five-minute walk away and takes you into the centre of London in under 20 minutes. The renowned Brent Cross Shopping Centre is just a stone's throw away. Gladstone and Roundwood Park are both a short walk away. We're also close to Wembley Stadium - you will be able to hear the roar!

We're well connected with local transport links – the bus stop is at the end of the road and offers routes all across London.

It's good to know...

We're in a vibrant residential area in Cricklewood, London.

We're spoilt for choice with supermarkets - Sainsbury's, Tesco and Waitrose are all nearby.

There are doctors, dentists and opticians within half a mile of the house.

There's a bus stop a five-minute walk away, with regular local services across London.

Willesden Green tube station is a short walk away and offers rail connections into London and across the country.

There's room for two cars on the driveway plus some on-street parking.

Five reasons to choose Lifeways

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

yes to ambition

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

At Lifeways, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
