**Daniels Lane is a modern bungalow in a nice residential area just outside Skelmersdale. There are three bedrooms, a living room, dining room and kitchen. One bedroom has a walk-in wet room that is suitable for someone in a wheelchair, and there is also a shared bathroom with a bath and over-bath shower.**

Outside there's a lovely garden for everyone to enjoy.

There's peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Life at Daniels Lane is suitable for people with learning disabilities or physical disabilities.

We are ready to welcome a lady in the 30-45 age range who is sociable and enjoys forming friendships and taking part in activities. The 2 ladies living at the service are friendly and enjoy going shopping, going out for walks, eating out and attending parties.

# Five reasons to choose Lifeways

## **yes to stability.**

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

## **yes to reassurance.**

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

## **yes to local.**

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

## **yes to relationships.**

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

## **yes to quality.**

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

## So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

# Supporting people to live the life they choose.

At Lifeways, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

## Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
