Welcome to Lightwood Road

Lightwood Road is a welcoming, supportive and stimulating residential service for people with complex care and support needs to live fulfilling lives.

The property has a kitchen, lounge area, dining room and laundry room. There are two toilets and two shared bathrooms – one with a shower and a bath, the other with a shower. There is also an accessible garden with a patio.

Assistive technology is fitted throughout to give you peace of mind. This includes an intercom, an Assi Tech Pager System and a nurse alarm call system.

Life at Lightwood Road is suitable for people with brain injuries, learning or neurological disabilities, mental health conditions, physical disabilities, or autistic spectrum disorders.

Lightwood Road is ideal for an active and sociable person. At Lightwood Road, we currently support both men and women with diverse needs, including learning disabilities, brain injuries and physical disabilities.

People enjoy sitting in the garden, sensory activities, shopping, singing, music therapy, karaoke, football, listening to music, watching television, shopping, bowling, bingo and being in the community.

Lightwood Road is an active household – people choose how they spend their time. We go on regular day trips - Chester Zoo, or the monkey forest at Trentham Gardens are favourites. People here like to stay in a specialised hotel in Blackpool, and every year people choose to watch the local Christmas pantomime.

Valued in your community

There is nothing more valuable than being an active part of the local community.

At Lightwood Road, people like to be a part of the local community.

We are fortunate to be located within walking distance of vibrant cafés, pubs and restaurants, as well as a post office, high-street banks and Longton Library. For people who enjoy walking, Longton Park is a tranquil place to go. Commerce Street Works, the Gladstone Pottery Museum and Enson Pottery Works also provide interesting day trips in the local area.

For people who like to stay active, Nuffield Health Stoke Fitness and Well-being Gym provides year-round access to a swimming pool, gym and fitness classes.

A short bus journey will take you to Stoke-on-Trent, which has larger attractions including Waterworld swimming pool, Festival Retail Park and intu Potteries for shopping, Regent Theatre, the Potteries Museum and Art Gallery, Tenpin Stoke bowling, an Odeon Cinema and a Cineworld.

"Since living at a Lifeways service I have become more confident and independent. I am able to make everyday decisions with the help from my team, who support me in a consistent way; this is very important to me. My self-esteem has grown with the support I receive and I couldn't be happier."

Five reasons to choose Lifeways

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

yes
to ambition

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

At Lifeways, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
