# Welcome to Jasmine House

**At Jasmine House people are welcomed and supported to live independent lives.**

Jasmine House is a large, modern bungalow that is wheelchair accessible throughout and offers supported living for up to three people. Support is provided by two team members in the daytime and a waking night team member throughout the evening.

The three bedrooms each have their own separate bathroom – two of the bathrooms are wet rooms. There is a living room, large kitchen diner, sensory room, laundry room and an extra room with bathroom and shower.

Outside there is a lawned garden and patio area to the rear with BBQ, potted plants and a small flower border. To the front there is a large private area for cars to park.

## Living at Jasmine House

Life at Jasmine House is suitable for people with learning disabilities, autism, physical disabilities or acquired brain injuries. The house has a calm atmosphere and established routines. There are currently two non-verbal men living here, one is 36 and the other 50 years old. They enjoy painting, baking, watching television, puzzles and helping around the house. They both like to go out in the community especially to the local parks in the summer, and enjoy the cinema, bowling, meals at local restaurants and pubs, and day trips to Blackpool and York. Jasmine House would be ideal for another man of a similar age who likes their own space but also being involved in group activities.

# Five reasons to choose Lifeways

## **yes to stability.**

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

## **yes to reassurance.**

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

## **yes to local.**

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

## **yes to relationships.**

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

## **yes to quality.**

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

## **So what happens next?**

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

# Supporting people to live the life they choose.

At Lifeways, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

## Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
