Manager, Pioneer Court

Welcome to Pioneer Court

Pioneer Court has a mixture of one-bed apartments and bungalows that provide the perfect mix of independent living and collaborative, community support.

Living in this shared building means people can benefit from a vibrant network of friends and staff support, while having peace and quiet whenever they need it too.

There are fourteen flats and four bungalows, each with a wet room style bathroom, and an open-plan kitchen, lounge and dining area. All of the bungalows, as well as the ground floor flats, are wheelchair accessible and have access to a shared garden with a patio area.

Pioneer Court has assistive technology including an intercom, a pendant system to call for staff, and CCTV. Two bungalows also come equipped with automatic doors.

Life at Pioneer Court is ideal for people with brain injuries, learning or neurological disabilities, physical disabilities, drug or alcohol addiction, or autistic spectrum disorders.

When you choose supported living, you're choosing to live independently, safe and secure behind your own front door. There's peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

At Pioneer Court, we support a group of people with diverse needs.

The property is well suited to someone who likes to socialise and be part of a friendly group.

People enjoy watching television, gaming, walking, going to the pub, line dancing, swimming, cooking, shopping and being in the community.

People at Pioneer Court choose how they spend their time – lunch out or visiting the pub are firm favourites. For day trips, people also enjoy going to Chester Zoo and Blackpool.

Valued in your community

There are few things more rewarding than feeling like an active and valued part of the community.

Pioneer Court is in a residential area with small cafés, pubs and restaurants, as well as Ford Green Hall Museum and Whitfield Valley Nature Reserve. Nearby Tunstall and Hanley both have a wider range of libraries, high-street shops and banks. For people who like to stay active, Dimensions Leisure Centre provides year-round access to a gym and swimming pool.

A short bus journey will take you to Stoke-on-Trent, which has larger attractions including Waterworld swimming pool, Festival Retail Park and intu Potteries for shopping, Regent Theatre, the Potteries Museum and Art Gallery, Tenpin Stoke bowling, an Odeon Cinema and a Cineworld.

It's good to know...

We're close to Tunstall and Hanley, with their range of vibrant shops, cafés, pubs and restaurants.

Aldi and the Spar are close by, while Tesco, Sainsbury's, Morrisons and Asda can be found in Hanley or Tunstall.

The GP surgery and NHS dentist are less than half a mile away.

There's a bus stop a five-minute walk, with routes into Hanley and Tunstall.

Stoke-on-Trent train station is a 15-minute journey and has services to Crewe, Manchester, Bournemouth, Exeter and London.

There is on-street parking available for people with cars.

Five reasons to choose Lifeways

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

At Lifeways, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
