# Welcome to Audley Road

**At Audley Road people are welcomed and supported to live independent lives.**

Audley Road is a five-bedroom bungalow in Newcastle-under-Lyme, Staffordshire.

The bungalow has a large dining area and living room, a kitchen with a laundry room and there are two shared wetroom style bathrooms. There is a large lawned garden at the front of the property and a patio area at the rear for relaxing when the weather is good.

When you choose supported living, you're choosing to live independently, safe and secure behind your own front door.

There's peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

## Living at Audley Road

Life at Audley Road is suitable for people with learning disabilities, physical disabilities and autism.

The people living here are aged between 50 and 80 years old. They enjoy a relaxed home with a calm atmosphere and spend time socialising together. Activities such as colouring, baking, arts and crafts, music and films, games nights, pamper days, watching TV, knitting and being out in the community are all favourites.

The available room would suit a person of a similar age who has a relaxed nature, enjoys socialising and taking part in creative activities both inside and outside the home.

Any new residents will receive person-centred, tailored support and be encouraged to follow their personal goals and ambitions. We can support people to learn new life skills such as cooking and money management, to take up a new hobby or make new friends, as well as getting out and about in the local community.

# Valued in your community

**There are few things more rewarding than feeling like an active and valued part of the community.**

# Five reasons to choose Lifeways

## **yes to stability.**

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

## **yes to reassurance.**

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

## **yes to local.**

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

## **yes to relationships.**

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

## **yes to quality.**

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

## **So what happens next?**

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

# Supporting people to live the life they choose.

At Lifeways, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

## Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
