# Welcome to Hallfield House

**At Hallfield House people are welcomed and supported to live independent lives.**

Hallfield House is a beautifully converted building containing seven spacious apartments, one of which is wheelchair accessible. Set over four floors, people can benefit from community living while enjoying their own space too.

All apartments consist of an open plan kitchen and living area, bedroom and en-suite bathroom. White goods are included in each apartment and assistive technology can be tailored to suit the needs of each person. The lower ground floor apartments are accessed externally at the rear of the property and two of the first floor flats are duplex, with the bedroom being reached via an internal staircase.

Hallfield House has an outside area for people to relax in when the weather is good and there is parking on site for seven cars.

When you choose supported living, you're choosing to live independently, safe and secure behind your own front door.

There's peace of mind in knowing the Lifeways team is on-hand, providing tailored support that helps people to lead more fulfilling lives, surrounded by like-minded people.

Hallfield House is suitable for people with learning disabilities and autism.

We are ready to welcome new people of any age and gender who would benefit from the right support in a modern and welcoming environment.

Everyone will be supported to live as independently as possible and to choose how they spend their time. We can support people to take part in the hobbies and activities they enjoy, access education or employment and make the most of what the local community has to offer.

# Valued in your community

**There are few things more rewarding than feeling like an active and valued part of the community.**

Hallfield House is located close to Stockport Town Centre giving access to shops, restaurants and pubs, with banks, libraries and post offices all centrally located. The train station is near to the service and has regular services into Manchester and further afield.

Stockport offers diverse social activities for people with learning disabilities, including activity hubs like Impact Social Hub and the Newbridge Centre, supported groups through Disability Stockport's Connect, and youth-focused groups via AutiSK, covering everything from sports and arts to pub nights and day trips, fostering skills, confidence, and social connections in a supportive environment.

# Five reasons to choose Lifeways

## yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

## yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

## yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

## yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

## yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

## So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

# Supporting people to live the life they choose.

At Lifeways, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

## Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
