Welcome to Guildford Road

Guildford Road is a residential service ready to welcome new people and support them in leading an independent life within a pleasant and homely environment.

The spacious, detached home is set in a quiet residential area along a private driveway in the village of Bisley. The house is set within its own pleasant garden with a patio area where residents can spend time when the weather is good. There is a spacious communal lounge, large open-plan kitchen and five bedrooms over two floors.

Each is bright and airy, has lots of storage, and we can easily organise for special equipment if necessary, including profiling beds, specialist chairs and hoists.

Living at Guildford Road

Guildford Road is a residential service suitable for people with complex learning disabilities, brain injuries, physical disabilities or autism.

We are ready to welcome a person of any age who would benefit from specialist support in a homely setting. We create tailored support plans designed to meet each persons goals and needs, helping them to become more independent and involved in the local community, while developing their daily living skills.

“We understand how important it is to treat each of our residents as an individual and to get to know, understand and respect their experiences, interests and dreams. The residents love going out into the community and enjoy regular visits to the cinema and bowling alley, often followed by a meal out.”

There are excellent public transport links close by, including a bus stop at the end of the driveway. Brookwood railway station is a mile and a half away, and individuals also have access to two specially adapted vehicles for even greater convenience.

For people who like to stay active, there are leisure centres in nearby Frimley and Bagshot, and a range of public parks and recreation grounds within a few miles.

Five reasons to choose Lifeways

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

At Lifeways, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
