Welcome to Rose Meadow

Rose Meadow is a welcoming, supportive and stimulating residential service for people with complex care and support needs to live fulfilling lives.

The large detached house features eight ensuite bedrooms, designed to give people privacy, comfort and independence. There are also shared spaces including a large kitchen, dining area and a comfortable living room, providing plenty of opportunity to spend time together or relax in a quieter space.

Outside, the home has extensive grounds, including a polytunnel and a natural environment that attracts a variety of wildlife. The outdoor space is well used throughout the year, particularly in warmer months.

Living at Rose Meadow

Rose Meadow is a comfortable and supportive home designed to help people live fulfilling and as independent a life as possible. We support adults who are autistic, have learning disabilities, acquired brain injuries or complex behaviours, and we tailor support to each person's individual needs and goals.

People are encouraged to do the things that matter to them, whether that's spending time at home, taking part in activities, or going out into the beautiful countryside, right on our doorstep.

“Rose Meadow is in a village location which is quiet and safe. The Victorian property is in good condition, with beautiful features such as stained-glass windows. The community is strong and friendly, and people really enjoy living here. The long-term staff work hard to help the people we support to improve their level of independence.”

Five reasons to choose Lifeways

yes to stability.

Our stability speaks for itself. Since 1995 we've grown to become the UK's largest provider of supported living for adults. So when you're comparing providers, it's good to know that our steadfast support is founded on over 25 years of proven outcomes.

yes to reassurance.

Our size brings reassurance. It allows us to invest in our people and services. And it's the reason we've been able to open 900 new apartments in 65 communities since 2015. Everyone deserves unique support in a home they'll feel proud of – and that's exactly what we provide.

yes to local.

Our hearts are in our local communities. We're proud to support people in more than 1,000 locations across the UK. But we're even more proud that every service is run by trusted local teams, each providing neighbourly support that feels close to home.

yes to relationships.

Our people make all the difference. So we make sure everyone is valued and all of our support workers achieve the Care Certificate qualification. Over a quarter of our team have been with us for over five years and some have even been with us from the very beginning, helping to create rewarding relationships, improved outcomes and excellent continuity of care.

yes to quality.

Our purpose is to improve lives. It's as simple as that. We help almost 5,000 people to live with hope and independence, with every member of our team sharing the same commitment to quality in everything we do. We hire the best in the sector into our highly skilled and dedicated Quality team, who work to ensure our CQC ratings are something we can be proud of.

So what happens next?

It all starts with an informal chat with one of our specialist assessors. Together with each individual, they will build a clear understanding of their needs and preferences, making sure that they make the choice that is right for them.

They'll then be on hand to guide individuals, families and professionals through the referral and assessment processes, and won't stop until the kettle's on, and the move is complete.

Supporting people to live the life they choose.

At Lifeways, our focus is *you*. We want to become a trusted partner on your personal journey. Learning from the challenges you've already overcome, before tailoring our support to help you achieve more.

Why Lifeways?

We believe that anyone can achieve the extraordinary. And that's why Lifeways exists. To understand every individual and support each different dream. Creating homes to feel proud of and places where lives feel fulfilled.
